54. Woman injured by vaccine (Warning: disturbing video)
55. Mother seriously injured by covid vaccine (Warning disturbing video).

Those are just some of the possible deaths and injuries that have followed vaccination.

I have no doubt that the authorities will claim that these deaths were coincidental.

And let us remember if a patient dies within 28 days of being tested positive for coronavirus (and the test doesn't mean that the patient even has the disease since most tests are false positives) then the death will be listed as a covid-19 death and the patient will be said to have died 'with' covid-19. So by the same token, it is perfectly reasonable to say that if a patient dies or falls ill within 28 days of being vaccinated then the death or illness was related to the covid-19 vaccine.

Will the mainstream media ever start recording these deaths or illnesses? Or are journalists going to continue to promote the official government line – and to deny, distort or suppress the truth?

How many people have to die before the media wakes up?

Have you ever considered about adding a little ЬIt more than just your articles?
I mean, what you say is fundamental and everything.
However think about if you added some great images
or videos to give your posts more, "pop"! Your content is exϲellent but with pics
and clips, this website could certainly be one of the very best in its field.
Fantastic blog!

YOU CANNOT "CATCH" COVID 19: YOU ONLY GET IT BY VACCINES INJECTIONS.
The Bigger Picture is EUGENICS!
What is in the Vaccine?
Since the 90s, the FLU vaccine has had some terrible chemicals in it!
The COVID 19 vaccine is building on to these chemicals.
You need to watch this interview:
Dr. Judy Mikovits interviewed by the Health Ranger: Fauci's covid crimes aren't his first "plandemic"

LISTEN TO WHAT KARY MULLIS SAID ABOUT FAUCI & GALLO:
ABC's Nightline approached Mullis about participating in a documentary:
The show was superb, and represented a historic turning point, possibly even the end of the seven-year MEDIA BLACKOUT on the HIV debate. But it still didn't fulfil Mullis ultimate fantasy.

"What ABC needs to do," says Mullis, "is talk to [Chairman of the National Institutes of Allergy and Infectious Diseases (NIAID) Dr. Anthony] Fauci and [Dr. Robert] Gallo [one of the discoverers of HIV] and show that they're assholes, which I could do in ten minutes."

But, I point out, Gallo will refuse to discuss the HIV debate, just as he's always done.

"I know he will," Mullis shoots back, anger rising in his voice. "But you know what? I would be willing to chase the little bastard from his car to his office and say, 'This is Kary Mullis trying to ask you a goddamn simple question,' and let the cameras follow. If people think I'm a crazy person, that's okay. But here's a Nobel Prize-winner trying to ask a simple question from those who spent $22 billion and killed 100,000 people. It has to be on TV. It's a visual thing. I'm not unwilling to do something like that."

FAUCI & GALLO SPENT $22 BILLION & KILLED 100,000 PEOPLE (HOMOSEXUALS.
INTERVIEW KARY MULLIS
AIDS; Words from the Front By Celia Farber, Spin July 1994
We have not been able to discover any good reasons why most of the people on earth believe that AIDS is a disease caused by a virus called HIV. There is simply no scientific evidence demonstrating that this is true.
We have also not been able to discover why doctors prescribe a TOXIC DRUG called AZT (Zidovudine) to people who have no other complaint than the presence of antibodies to HIV in their blood.

In fact, we cannot understand why humans would take that drug for any reason.

We cannot understand how all this madness came about, and having both lived in Berkeley, we've seen some strange things indeed. We know that to err is human, but the HIV/AIDS hypothesis is one hell of a mistake.

I haven't and wont ever take the vaccine, yet I am suffering from vertigo, belles palsy, shingles and central nervous system damage, I have lost my balance and spatial awareness for the past 3 months, 2 weeks of which was spent in bed or seated. My suspicion is the spike protein picked up from the vaccinated. The doctors have done fuck all to remedy other than saying "Wait….it will right itself"…. I am still waiting!
We cant rest until the money changers/well poisoners have been exposed and replaced with the Gottfried Feder economic system, otherwise they will keep you shadow boxing distraction issues.

Briefly …. Other than the condition I speak of within the following video I have not been tested, jabbed, worn a mask or isolated from the outset or, during this political strategy of control. Yet 21 days ago I was hit with some sort of virus which attacked my central nervous system which made me unable to stand or coordinate through spatial awareness, it critically affected my eyesight and hearing causing tinnitus and vertigo to this day 28th May 2021 …

Now look at the symptoms re damage and death involving those who volunteered themselves as "lab rats" for the (((Jewish criminal central banker families))), and ask oneself should we now isolate ourselves from the "lab rats", are the lab rats the carriers for the biblical well poisoners/money changers.

"16 people are now blind after covid jab – Latest AstraZeneca deaths and injuries. As well as blindness, some of the many injuries include: strokes, heart attacks, miscarriages, sepsis, paralysis, Bell's Palsy, deafness and covid-19."

This is all to do with one world government and the false trinity catholic church and satan. They want to kill as many as 90% or so of population see agenda21. 5g network covid19 and the vaccine are all linked together. Moderna chief medical officer Tal Zacs said in a conference back in 2017 we have the technology to change the code of life i.e. DNA its on a video too so google and watch this.

After I received my Second Moderna Vaccine I got horribly Sick! This has been three month and I am not getting any better.
I have Severe Breathing Problems, Severe Shortness of Breath.
I broke our in Horrible and very Painful Open Sores, Open Holes on Both Arms.
They are still Not going awys.
From a very high Energenic person, a Very Healthy Person, I am now a weak and can hardly Move Person.
I also suffer from severe tiredness and lay down most of the day.
Had I known what the side effects of the Moderna Vaccine would be,
I would have NEVER gotten the Moderna Vaccine. Besides I was
Born with Severe Food Allergies and the Protein in the Moderna Vaccine
once it Hit my body, I went into an Allergic Shock.

YEP!
The EUGENICS vaccine is working!
Did you stop to ask, "What is in THIS vaccine"?
COVID Eugenics
Head of Pfizer Research: Covid Vaccine is Female Sterilization
The vaccine contains a spike protein (see image) called syncytin-1, vital for the formation of human placenta in women. If the vaccine works so that we form an immune response AGAINST the spike protein, we are also training the female body to attack syncytin-1, which could lead to infertility in women of an unspecified duration.

Dr. Wodarg and Dr. Yeadon request a stop of all corona vaccination studies and call for co-signing the petition
On December 1, 2020, the ex-Pfizer head of respiratory research Dr. Michael Yeadon and the lung specialist and former head of the public health department Dr. Wolfgang Wodarg filed an application with the EMA, the European Medicine Agency responsible for EU-wide drug approval, for the immediate suspension of all SARS CoV 2 vaccine studies, in particular the BioNtech/Pfizer study on BNT162b (EudraCT number 2020-002641-42).
Dr. Wodarg and Dr. Yeadon demand that the studies – for the protection of the life and health of the volunteers – should not be continued until a study design is available that is suitable to address the significant safety concerns expressed by an increasing number of renowned scientists against the vaccine and the study design.
Warnings of Infertility Come Directly With Pfizer Vaccine
On the one hand, the petitioners demand that, due to the known lack of accuracy of the PCR test in a serious study, a so-called Sanger sequencing must be used. This is the only way to make reliable statements on the effectiveness of a vaccine against Covid-19. On the basis of the many different PCR tests of highly varying quality, neither the risk of disease nor a possible vaccine benefit can be determined with the necessary certainty, which is why testing the vaccine on humans is unethical per se.
Furthermore, they demand that it must be excluded, e.g. by means of animal experiments, that risks already known from previous studies, which partly originate from the nature of the corona viruses, can be realized. The concerns are directed in particular to the following points:
• The formation of so-called "non-neutralizing antibodies" can lead to an exaggerated immune reaction, especially when the test person is confronted with the real, "wild" virus after vaccination. This so-called antibody-dependent amplification, ADE, has long been known from experiments with corona vaccines in cats, for example. In the course of these studies all cats that initially tolerated the vaccination well died after catching the wild virus.
• The vaccinations are expected to produce antibodies against spike proteins of SARS-CoV-2. However, spike proteins also contain syncytin-homologous proteins, which are essential for the formation of the placenta in mammals such as humans. It must be absolutely ruled out that a vaccine against SARS-CoV-2 could trigger an immune reaction against syncytin-1, as otherwise infertility of indefinite duration could result in vaccinated women.
• The mRNA vaccines from BioNTech/Pfizer contain polyethylene glycol (PEG). 70% of people develop antibodies against this substance – this means that many people can develop allergic, potentially fatal reactions to the vaccination.
• The much too short duration of the study does not allow a realistic estimation of the late effects. As in the narcolepsy cases after the swine flu vaccination, millions of healthy people would be exposed to an unacceptable risk if an emergency approval were to be granted and the possibility of observing the late effects of the vaccination were to follow. Nevertheless, BioNTech/Pfizer apparently submitted an application for emergency approval on December 1, 2020.
After a little research it turns out that Syncytin-1 is also present in sperm, so it's not only Women that will be steralised but Men as well.
